++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry, sunny, cold Sunday.

This Evening and Tonight:
Scattered showers continuing this evening becoming fewer overnight. This will leave a lot of dry weather with clear periods developing. A cold night with fresh northwesterly winds, easing down later. Minimum temperature 2 deg C (36 deg F).

Sunday:
A lot of dry, bright and sunny weather with winds becoming light. Cloud spreading east during the evening with some rain and hill snow in west later. Maximum temperature 7 deg C (45 deg F).

Outlook for Monday to Wednesday:
A very unsettled outlook, wet and windy on Monday. A brief interlude Tuesday morning before very strong south or southeast winds later and on Wednesday with outbreaks of rain too.
